Dear ADAs-

I hate to write mass e-mails, especially this far in advance, but I figured that you all should be aware of the possible trial date conflicts I have on October 20, 2010. I have 6 different cases scheduled for this date so far, so I ask that if there are any changes to the following cases that affect me (i.e. pleas, stipulations, continuations, etc.), please let me know when you find out so I can keep the other ADAs informed of my availability. Thank you for your understanding and patience.

-Sonja
